Can an applicant apply to both SCEEP and C-PHOM?
If an applicant would like to be considered for both SCEEP and C-PHOM, the applicant would need to complete the applications for both programs.

Can an applicant participate in both SCEEP and C-PHOM Programs?
Applicants who apply to and are accepted into both SCEEP and C-PHOM, would have to select one of the programs to participate in.

What is required for the application?
A complete application includes biographical and academic information, three recommendations, two essays, and your ACT and/or SAT standardized test scores.

What is the deadline for submitting an application?
❖ Applicant Information is due no later than Friday, March 30, 2018.
❖ Teacher and Counselor Recommendations are due no later than Friday, April 13, 2018.
❖ Final ACT and SAT Test Scores are due no later than Tuesday, May 1, 2018.

When should applicants take the ACT or SAT?
In order to submit test scores by the test score deadline of Tuesday, May 1, 2018, SCEEP applicants must take either or both tests on or before the dates listed below.
• The national SAT given on Saturday, March 10, 2018
• The national ACT given on Saturday, April 14, 2018
• The State of Michigan SAT test given in schools on Tuesday, April 10, 2018 (only for Michigan-based SCEEP applicants).

Can an applicant submit updated test scores?
Applicants can submit new/updated test scores up until the deadline of Tuesday, May 1, 2018.

When will applicants know if they have been accepted or not?
SCEEP applicants will be notified of their acceptance by Friday, May 25, 2018.

What is the program fee?
The program fee is $500. Scholarships are available.
How are applicants considered for a scholarship for the program?
Applicants (parent/guardian) must truthfully complete the household information section on application. Additional information may be requested/verification of household income required.

How much does the program cost per participant?
The total program cost per participant is $2,000, however, we are able to subsidize a majority of this cost through university support and corporate/donor funds.

Should participants bring any spending money for the program?
It is suggested that participants bring $40 - $60 for various opportunities that may arise to by food and/or to shop in and around campus.

What does it mean when it says that SEA targets “domestic participants?”
The Summer Engineering Academy is intended for US citizens living and attending school in the United States and its territories.

How do participants get to Ann Arbor?
Participants are responsible for their own transportation to and from the Detroit/Ann Arbor area. The SEA team will request the travel plans of all participants, and will coordinate bus depot, train station and airport arrivals/departures as applicable.

Where do participants send any non-electronic SEA materials (as needed)?
Send your non-electronic materials to:
Summer Engineering Academy
Center for Engineering Diversity and Outreach
1221 Beal Avenue, LEC 1112
University of Michigan
Ann Arbor, MI 48109

Can participants leave campus while in Ann Arbor?
Participants are required to remain on campus and in the care of our facilitators at ALL times. There may be occasions when participants will have an opportunity to visit other parts of UM and Ann Arbor with SEA staff present.

Where will participants stay throughout the duration of the program?
Participants will be housed at Bursley Residence Hall on North Campus.
Will participants have a roommate?
Participants will be housed in pairs and are randomly assigned a roommate. On occasion, a program may have an odd number of participants, in which case one individual in the cohort will room alone.

What will participants eat?
The majority of meals for participants will be provided through MiDining in the Bursley Hall cafeteria. Some meals may be on other parts of the campus and are covered by the program.

Are there facilities made available for participants for exercise/physical activity?
Visits to the athletic and recreational centers on campus are not part of the SEA program. We recognize that some participants like to exercise and stay active, so numerous outdoor/recreational activities will be built into the program schedule.

Is there a participant dress code?
Participant dress code is the following:

- **Classes**
  - *Business Casual Attire* – e.g. slacks, blue jeans, shorts with belt loops, collared shirts, loafers, tennis shoes
- **Recreational Activities**
  - *Casual Attire* – e.g. blue jeans, t-shirts, shorts, tennis shoes
- **Closing Program, Conferences, Corporate Corners, and Field Trips**
  - *Professional Attire* – e.g. shirts with ties or blouses, dress slacks or skirts/dresses

All participants should wear comfortable shoes as there is a lot of walking during the course of the program. More information on the dress code will be shared during the Family Conference Call which will be held a week before each program.

Participants are not allowed to bring the following:

- Tank/halter tops
- Tight/revealing clothes
- Spandex
- Muscle shirts
- Short skirts or shorts
- Wave Caps/doo rags/bandanas
- Sagging pants or shorts
- Cut-off clothing
- Hats or sunglasses indoors
- Clothing with inappropriate logos offensive/suggestive language
- Clothing with holes or rips
